

Request for Proposal

Ohio Council of Community Schools

Contract Effective Date: July 1, 2024

School Opening Date: Fall 2024

OVERVIEW OF COUNCIL SPONSORSHIP

Dear Prospective Partner:

Thank you for expressing interest in sponsorship with the Ohio Council of Community Schools (Council). Submission of this proposal is the first step in the application process. The deadline for submitting a proposal is July 1, 2023, although we strongly encourage you to complete and return it as soon as possible. When complete, please submit this document to the Council's Associate Executive Director of Development, Jason Wall (jason@ohioschools.org), who will follow-up.

Our chartering priority is to develop a robust portfolio of innovative, high-performing schools throughout the state. Our 2024-2025 new school development priority is to target and potentially open high schools with a career technical focus. We envision partnerships with organizations that effectively implement a variety of academic programs critical for meeting the unique needs of a variety of students.

The Council strives to be a leader in the national charter school movement, sponsoring 49 schools across Ohio. Additionally, the Council seeks opportunities to work with partners offering unique choices to students and families. This is why the Council is a proud sponsor of schools implementing a range of educational programs, including those with an emphasis on fitness, environmental studies, college preparatory academics, and project-based learning. The models are implemented through traditional bricks-and-mortar facilities, five statewide virtual schools, and dropout recovery and prevention programs intended to reach Ohio's most at-risk youth.

As the Council's lead contact for contract applications, please feel free to contact me through email at jason@ohioschools.org or by phone at (614) 545-8592. Thank you in advance for your time and interest in our sponsorship. We look forward learning more about your proposed school!

Best regards,

Jason Wall
